MEMORANDUM FOR: Director of Personnel

SUBJECT : Recruitment Schedule

The undated but recent campus and off-campus recruitment schedule as attached reflects on behalf of the Recruitment Division and the field recruiters the considerable effort in support of our recruitment program. I know that these have been difficult times and have required on the part of the recruiters and the staff the exercising of judgment and discretion in meeting the issues created by protesting student groups. I think the field recruiters and staff have done an excellent job and I wish to commend them for their fine work, discretion, judgment and fortitude in the face of difficult situations and very trying personal circumstances. Please pass my comments to those involved and my thanks for their fine effort.
